EDUCATION

Chitkara University

B.E., Computer Science, *CGPA: 9.75*

Rajpura, Punjab

2021 - Present

Satluj Public School

PCM - COMPUTER SCIENCE, *CGPA: 8.83*

Panchkula, Haryana

2016 - 2021

WORK EXPERIENCE

CODING NINJAS

Tech Teaching Assistant

Remote

2021 - 2022

- Assisted **80+** students in learning **C++** and **Data Structures**
- Took doubt sessions and resolved more than **800 doubts** with an average rating of **4.2/5**

PROJECTS

STUDIFY - A LEARNING MANAGEMENT SYSTEM (*NextJS 13 Prisma MySQL Clerk*) [Live Preview](#) | [Github](#)

- Developed a seamless Learning Management System that blends **education and entrepreneurship**
- It uses **NextJs 13** and **ShadCN** for the elegant and seamless frontend
- Implemented **authorization** using **Clerk** and integrated **Stripe** for **secure payments**
- Utilized **Prisma** with **MySQL** for backend operations, including user management and payments
- Integrated **Mux** for **high-definition video rendering**
- Complete Technology Stack Used:** NextJS 13 TypeScript TailwindCSS Stripe ShadCN Prisma MySQL Mux Clerk

SUMMARIZER AI (*Javascript React Rapid API and React Redux*)

[Live Preview](#) | [Github](#)

- Experience the future of content curation. Easily generate **concise article summaries** from any **URL 3 times faster**
- It uses **OpenAI's** model **GPT-4** via **Rapid Api**

LearnHub - Connects Teacher with Students (*MERN Stack*)

[Live Preview](#) | [Github](#)

- Architected a cutting-edge education platform leveraging the **power of the MERN stack**, **Clerk** for **authentication**, and 100ms for real-time class interactions, **driving a 50% improvement in student** retention and a **30% boost** in revenue.
- Enabled teachers to **manage** students, **share notes**, **update marks**, and **download results** seamlessly.
- Integrated a visually appealing **Daily Planner feature**, allowing both teachers and students to effortlessly add, remove, and complete tasks within the platform's intuitive and aesthetically pleasing user interface.
- Ensured data security** and privacy by implementing best practices in user authentication and authorization mechanisms

SKILLS

Programming Languages

C++, Javascript, TypeScript, Rust, HTML, CSS, Java

Technologies and Frameworks

React.js, Next.js, Prisma ORM, Tailwind,

Relevant Coursework

OOP's, OS, Data Structure and Algorithms, Frontend Engg, Backend Engg

ACHIEVEMENTS

LEETCODE

Top 10 percent

- Global Rank of **1380** / **21k** in Weekly Contest 364
- Global Rank of **2910** / **29k** in Biweekly Contest 111
- Global Rank of **3517** / **26k** in Biweekly Contest 110
